

## SCHOLARSHIP PHILOSOPHY & POLICY STATEMENT

The Mission of the Jackson Hole Ski & Snowboard Club is to inspire fun, fitness, sportsmanship, and personal achievement in young athletes through training, academic support, and competition. The Scholarship Program was established to ensure that the many costs involved with winter sports, especially at the Regional and National levels, would not be a limiting factor to an athlete's continued participation in the sport.

The Scholarship Program is administered by a committee consisting of the JHSC Executive Director and three Board Members who remain anonymous. There is a high level of confidentiality surrounding the scholarship process and we fully respect your privacy. We understand that it can be difficult to provide financial information but please know that this information is an essential part of the process and will be kept strictly confidential.

- Scholarship Awards are confidential and final.
- Limited funds are available.
- All program participants must pay a portion of their fees.

**At some time in the future, all scholarship recipients are expected to make contributions of time or money back to the program.**

Applications will be reviewed based on the following, equally important criteria:

1. Need
2. Academic Performance (3.0 GPA for High School & Middle School)
